Indoor Unheated Emergency Safety Shower

Floor mounted unheated emergency safety shower with 316L stainless steel eye/face wash attached to handrails with integral floor grating, providing extra support to the casualty in the event of an emergency. The frame also provides a designated area for the safety equipment and avoids the space becoming cluttered. Available with either galvanised mild steel or 316L stainless steel handrails and pipework.

Model shown EXP-63G

Specifications

MATERIALS OF CONSTRUCTION
