

Product Datasheet

STD-25K/P STD-25KS/P Emergency Eye/Face Wash - *Plumbed in*

Pedestal-mounted emergency eye/face wash with integral lid to protect the bowl and diffusers against dust and debris. Model incorporates an additional handheld eyebath diffuser on flexible hose. This ANSI compliant, plumbed in eye/face wash is designed to be quick and simple to operate with high flow rate aerated diffusers for improved washing. Available with either galvanised mild steel or 316L stainless steel pipework.

Specifications
